- 在 IOPscience Where Are You From (WAYF). 页面搜索自己的学校，例如：Peking University。

- 到学校登录页面输入用户名，密码。

4. 登录成功后您将会返回到 IOPscience 的期刊或电子书 (整本书或单独章节) 页面进行授权访问。

The screenshot shows the IOPscience website interface. At the top, there is a navigation bar with the IOPscience logo, a search icon, and links for Journals, Books, Publishing Support, and Login. Below this, the journal title 'Classical and Quantum Gravity' is displayed. The article title is 'Critical metrics and massive gravity solutions on three-dimensional Brinkmann waves*'. The authors listed are M Brozos-Vázquez, S Caeiro-Oliveira, and E García-Río. The publication date is 7 December 2021. There is a blue button labeled 'Article PDF'. Below that is a 'References' section. A '+ Article information' section is expanded to show the 'Abstract'. The abstract text describes three-dimensional Brinkmann waves and their critical metrics. At the bottom of the abstract section, there are buttons for 'BibTeX' and 'RIS' to export citation and abstract information. At the very bottom of the page, there are navigation buttons for 'Previous article in issue' and 'Next article in issue'.
